Registration

A Registration Form is to be completed this year upon payment of your fees – a separate form for each member. This will assist in re-building the club's database with contact information (proper spelling of names, current e-mail addresses, and telephone numbers), identifying the different leagues our members participate in, present volunteer opportunities, and assist in marketing the club and events to the current membership as well as to past members.

Registration forms are available at the club and with drawmasters. The form is also attached to this e-mail enabling you to complete it and bring with payment to the club.

New Marketing Efforts

Facebook

Cyndy Giesler has created a Facebook Page for the club that is generating interest with new and existing members...

Powassan Curling Club

If you have any news, photos, or comments you feel would benefit the club, e-mail them to Cyndy at the club: info@powassancurlingclub.ca .

Updated Web Site

The club's web site is currently being given a facelift and will post club information, Leagues, and Events. Terry Lang, websmith is our club go-to person for the site. E-mail Terry your news, photographs, or files at: terrylang@TLCconsulting.on.ca .

Club Newsletter

To keep members up-to-date on news, events, and general information, a newsletter will be produced throughout the season, and e-mailed to you at the address you indicate on your registration form.

Volunteers required

Facility Rental Committee

Thanks to Ann and Doug Oshell, our curling facility has been an integral part of our community's social scene year 'round. The club has been rented to organizations and individuals for functions – helping offset the club's operating costs. Ann and Doug have ensured the club is in good order before and after each rental over the past years... and now we are seeking other volunteers to manage these duties.

Contact club President Bernard Penney at president@powassancurlingclub.ca for more information on this Facilities Committee position.

Men's League ... heads -up

Although the men's league won't officially start until "after hunting season", this should not deter any non-hunter/male curlers from assembling at the club on Thursday nights to hone their curling skills.

If enough come out, there could be some friendly competition and conditioning for the post-hunting draw!

Curling Instruction

Friday Evenings

FREE curling instruction for novice curlers will take place on Friday evenings at 7:30 throughout October (October 9th, 16th, 23rd, and 30th). Curling equipment is supplied. You do not have to be a member, but following your introduction to curling, you'll want to join in the fun! Oh... the bar will be open so there will also be instruction on how to bonspiel if required!

Cyndy Giesler will be organizing and hosting these four evenings of free on-ice curling instruction and curling etiquette, and will gladly welcome a co-host or two! Contact Cyndy at 705 724 1950 (H) or email info@powassancurlingclub.ca .

Monday Afternoons

For new members, John Richards is offering **five curling lessons** during Draw #1, Mondays at 2:00 pm – October 5th through November 2nd. The cost is \$50, with proceeds going to the Junior Curling Program.
