Ice Maintenance

If you could assist with ice maintenance – once a week – please contact Terry Lang: 705 499 1794. Two or three more people would be great!

If you would like to order a new GRIPPER, add your NAME and SIZE to the sheet posted in the club. A good gripper helps you play safer and helps keep the ice cleaner. We're buying in bulk so you'll get a great deal!
