THANK YOU...

to all volunteers who worked over the summer months and into October to give the club a well-deserved facelift, promote the club, help with club registration, clean and refurbish equipment, and prepare the ice. The club certainly appreciates your dedication and help.

Thank You as well to Ken Lennon who has served as club Treasurer over the past two seasons.

The Board of Directors is currently looking to fill the position of Treasurer.

Our club operates one hundred percent by volunteers. If you would like to give back to the club as our Treasurer, please contact President Bernard Penney—bernard@penneyandcompany.com or Vice-President Melanie Grasser—4grassers@gmail.com.

The Board of Directors is comprised of 12 members and meets every two months during the curling season.

A background in bookkeeping is an asset, but **an online framework is in place for any member to step into the role**. Mentoring for this vital position is also available.

After your game...

INFORMATION FOR OUR NEW CURLERS

Our upstairs lounge hosts curlers for a drink or two following your curling game. The lounge overlooks the rink as well, should you wish to watch the next game—or it's the perfect setting to spend time watching during bonspiels, or other sporting events ... especially curling on the big screen!.

NOTE: Our bar accepts cash only. We are not set up for credit, debit, tap, or e-transfer for beverage sales, so be sure to always pack a few 'fivers' with your curling gear.

Beer, spirits, coolers, and wine are all conveniently priced at \$5.00 each. Pop & juice \$1.75, and Water \$1.00.

Only members with their SmartServe certification are permitted to open and operate the bar, so **if you wish to volunteer as a server, the club will reimburse your SmartServer fees**. Let us know... you know where you can find us!

We remember John O'Neill—long-time friend, volunteer, and passionate curler who passed away over the summer. Your presence will be missed by the membership—especially those in the Day Curling league.
